What is Suffolk Links?

Suffolk Links is a Demand Responsive Transport (DRT) service which provides connections to bus and train links in rural areas.

How does Suffolk Links work?

If you wish to travel in the area covered by Suffolk Links Three Towns and are not able to access a bus service directly, the service will pick you up from a convenient point.

Where appropriate the service will connect with bus services for onward travel to further destinations.

For journeys within the service area where connecting to other services is inappropriate, end to end journeys will be possible.

Simply call **01638 664304** up to a week before you wish to travel and book your journey.

Suffolk Links Three Towns will then pick you up at the point agreed and take you where you want to go within the defined area.

The booking service is open from 8.00am to 4.00pm Monday to Friday (except Public Holidays), making it easier for you to plan ahead.

Bookings are on a first come, first served basis. Two return bookings are allowed at any one time in order to allow equal use by all. For the same reason, we may occasionally seek to change journey times to accommodate others.
