Keeping members and friends in touch

March

We welcomed Rachel Swan to our March meeting to speak on her passion for needlework entitled "Through the eye of a needle". What a wonderful array of items she brought with her for us to see highlighting her expertise and skill with a needle. Her patience, breadth of ideas and their uses was awe-inspiring. Many questions followed as members viewed her work at close quarters. An excellent evening, Rachel was warmly thanked by Jo Stokes.

Jumble Sale

Many thanks to all who supported this event. All funds raised go towards the maintenance of the W.I. Hall.

May

It was Resolutions time and members discussed the two for this year and voted allowing our delegate to do so on our behalf at the Liverpool A.G.M. We were delighted to welcome Roz Melvin to share the evening with us. The Blind auction that followed was such a laugh and some lovely items were discovered in the beautifully wrapped yet anonymous parcels along with some that flattered to deceive. A good total was raised for funds and lots of fun enjoyed doing it.

April

The April meeting was well attended and featured a talk by Patrick Scrivens on "Rights of Way" particularly around Wickhambrook. A fascinating subject with more twists and turns within it than even the footpaths and rights of way themselves. Many questions came from the floor and it is a subject that may be visited again such was the interest from the ladies comments throughout the evening. Patrick was warmly thanked by Veronica Wiseman on behalf of the members for an informative and enjoyable talk.

Quiz night

There was also an excellent turn out for the Quiz Night. Many thanks to all who supported the event; it was good fun and not too taxing! Particular thanks to Jean and Steven Coe for all their work preparing questions and organising us all so well on the night.
