Wickhambrook Parish Council

INTERNAL CONTROL STATEMENT FOR YEAR ENDING 31 MARCH 2024

1. SCOPE OF RESPONSIBILITY

Wickhambrook Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

The council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council:

The council reviews its obligations and objectives and approves budgets for the following year at its January meeting. The January meeting of the council approves the level of precept for the following financial year.

The Clerk reports to the Council progress against objectives and position against the adopted budget in accordance with the Council's financial regulations. A Councillor is appointed with a portfolio to review, financial systems and procedures, budgetary control, bank reconciliation checks and carry out regular reviews of financial matters. A bank reconciliation is reported to the council at least bi-monthly and is recorded in the minutes.

The full council meets seven times each year and monitors progress against its aims and objectives at each meeting by receiving relevant reports from the parish clerk.

The council carries out regular reviews of its internal controls, systems and procedures. See attached Report.

Clerk to the Council/Responsible Finance Officer:

The Council has appointed a Clerk to the Council who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Clerk is responsible for advising on the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

All authorised cheque signatories are members of the Council. Where delegation permits, as per s.101(1)(a) of the Local Government Act of 1972 and the Council's Financial Regulations, a report will be provided to the next full Council.

The parish council, in setting up its internet banking arrangements, has followed the advice provided by Suffolk Association of Local Councils (SALC).

Income:

All income is received and banked in the council's name in a timely manner and reported to the council.

Risk Assessments/Risk Management:

The council reviews its risk assessment annually in April, and regularly reviews its systems and controls.
