

Receive a FREE thermal survey of your home

To book, email us with your preferred dates:
parishclerk@wickhambrook.org.uk

Wickhambrook Parish Council are offering you a free thermal imaging survey of your home between 13th and 25th March 2025.

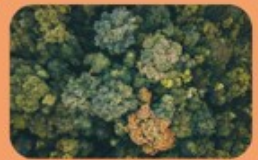

In just a 20 minute visit from community volunteers, you could learn where heat is escaping from your home and how to insulate it better, leading to:

Reduced energy bills

A warmer home

Lower carbon emissions

For more information on how to sign up, see overleaf

Funded by the Suffolk Climate Change Partnership. Find out more about this partnership of all of Suffolk's district, borough and county councils at www.greensuffolk.org.uk

The Thermal Imaging Project is funded by the Suffolk Climate Change Partnership which brings all Suffolk councils together to better equip Suffolk for our changing climate. To find out more about their mission go to greensuffolk.org

Receive a free thermal survey of your home

Volunteers from your community will visit your property with a thermal imaging camera and plenty of helpful information and guidance to help you with next steps.

We are looking for older properties to survey and/or those with a lower EPC rating. You can find your EPC rating here: <https://find-energy-certificate.service.gov.uk>

Here are three ways to sign up:

E-mail parishclerk@wickhambrook.org.uk
