

## West Suffolk Council scheduled grass cutting for the week, Monday 24 to Friday 28 October 2022

We have now reached the end of the grass cutting season and night temperatures have now dropped to a point where grass growth has slowed down or stopped. As a council we still have a few areas which still require a last cut which are detailed below.

Below is our scaled back schedule for the week commencing Monday 24 October to Friday 28 October 2022. Please note that in all cases, the scheduled mowing for the forthcoming week is dependent on a range of issues including the prevailing weather conditions, staff and machinery availability.
