

Budget Report to 31st October 2022

Income:

Notes:

Cemeteries receipts are currently higher the expected profile (the majority of receipts in Quarters 3 & 4).

Ground Rents invoiced in October (the Estates Committee having reviewed at its September meeting and determined no change).

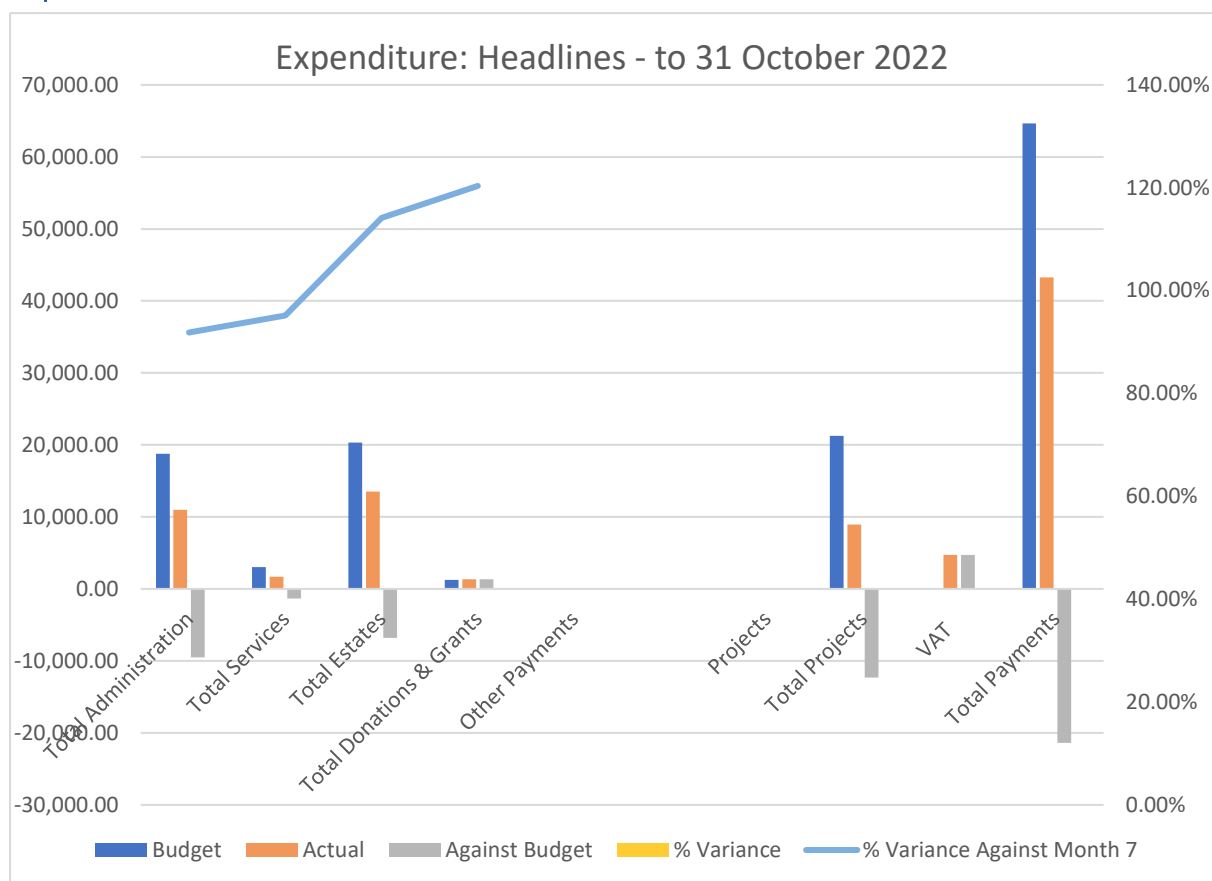

VAT claims are now submitted monthly (a total of £4177.63 received to end October, two claims outstanding to a total of £1150.06).

Recycling income is paid bi-annually, the payment for Oct'21 – March '22 has now been received and paid out to the Memorial Social Centre.

The grant application to Locality for Neighbourhood Planning in the sum of £9,997.00 was approved by Groundworks and paid in September – this has been applied against the NP budget line.

Precept payment was made at end of April, later than in previous years, and this should be noted for future years as can have an impact on operating reserves between year end and payment.

Expenditure:

Notes:

Administration: The spending profile is skewed towards the first two quarters of the year, when most subscriptions and insurance fall due. Some payments were delayed into early May.

Services: Profile is skewed to first half of year when software subscriptions fall due.

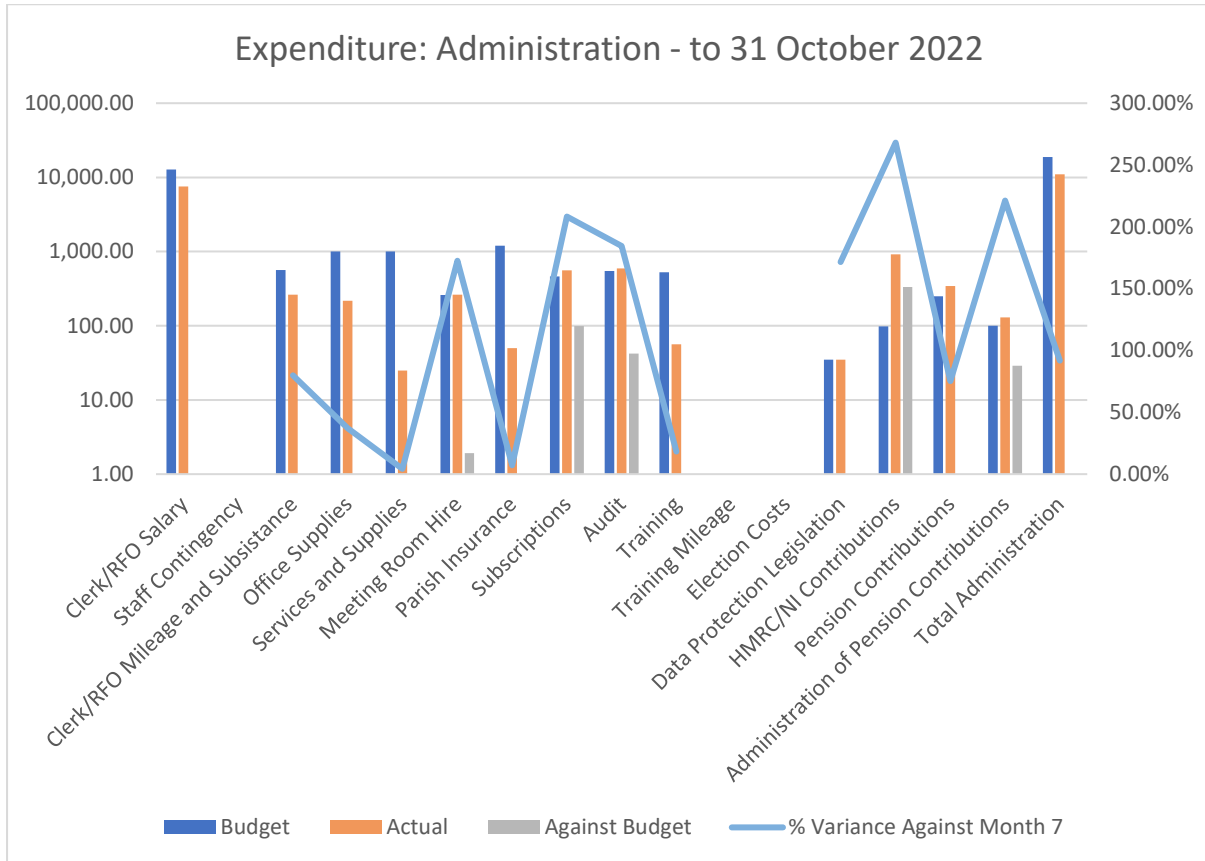

Estates: Grounds contract invoicing is now monthly – excess expenditure over budget on cemetery grounds commitments from previous financial year.

Donations & Grants: Expenditure under this heading from donations approved at year-end. Sufficient funds in earmarked reserves to cover budgeted donations expenditure for this f/y.

Projects Major spend is likely to be Neighbourhood Plan in early January 2023.

VAT income and expenditure set as indicative levels and not included in precept calculation or budget lines.

Administration

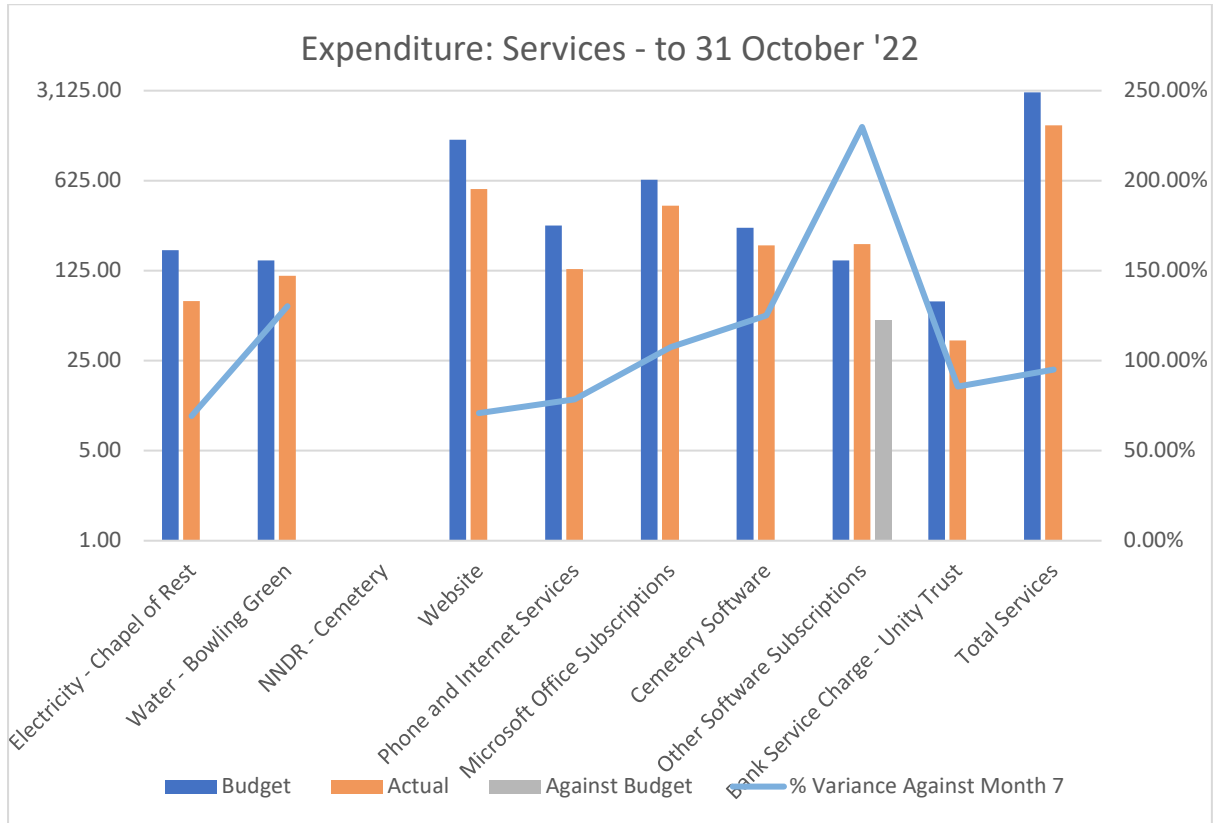

Notes:

Insurance – Two insurance premiums paid out in the previous financial year due to a change in insurance provider – (see Min. 22.02.9.6)
 Training – New Councillor and Chairman’s training still to be booked.
 Salary – uplift on 2021-22 National Pay Award, a change to the clerk’s tax banding and a crossover on the switch to NEST resulted in expenditure over budget which was addressed at the September meeting by a reversal of the underspend transferred to Earmarked reserves (£1695.00 to Staff contingency, **Min 22.09.13 refers**).

The subscriptions budget line has an overspend arising from Suffolk Association of Local Councils having reviewed and increased their subscription charges.

Services

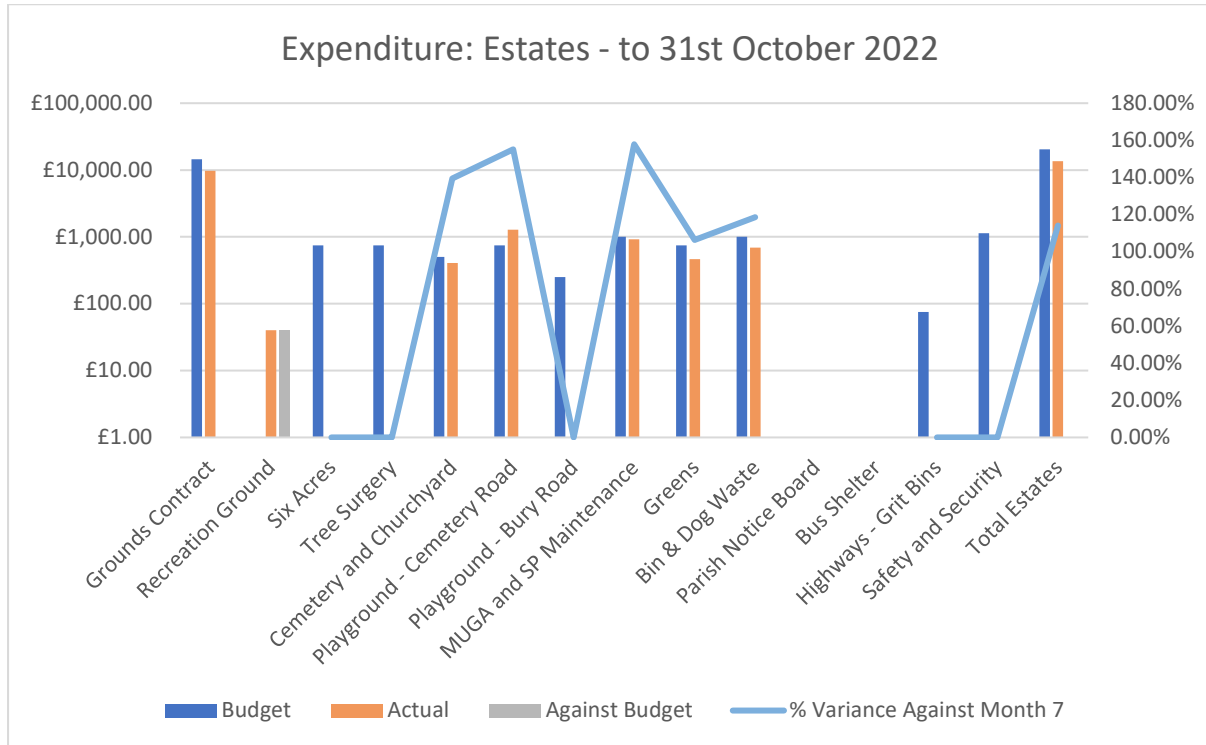

Notes:

Initial saving on new contract for electricity likely to be lost due to increase in energy prices. A new smart meter has now been installed.

Water supply to bowling green requires monitoring and quarterly meter reading. A particularly dry summer accounts for a higher than anticipated usage which may be offset as we move into the winter months.

Estates

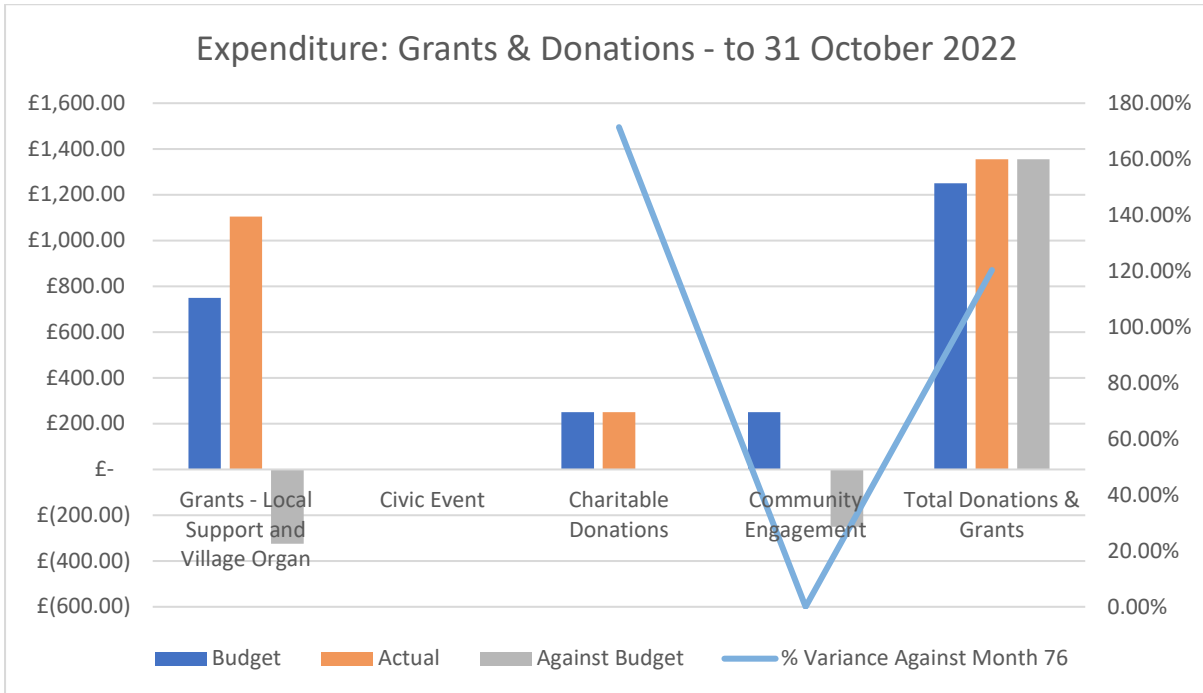

Notes

A move to identifying any groundworks required during budgeting process to reduce/eliminate spending over budget in future financial years.

Delay in sourcing a provider for maintenance work to Cemetery Road Play Park (Min. EC.22.02.9.1 refers) necessitated a virement of £663.68 from Earmarked Reserves (Playground & Teen Project Maintenance) to Revenue budget (Playground, Cemetery Road) leaving a balance of £1275.00 in Earmarked Reserves (**Min 22.0412 refers**).

Spending on dog waste bags is higher than in previous years and messaging to users of the Recreation Ground and Six Acres is scheduled to encourage dog walkers to bring their own bags.

Charitable Donations & Grants

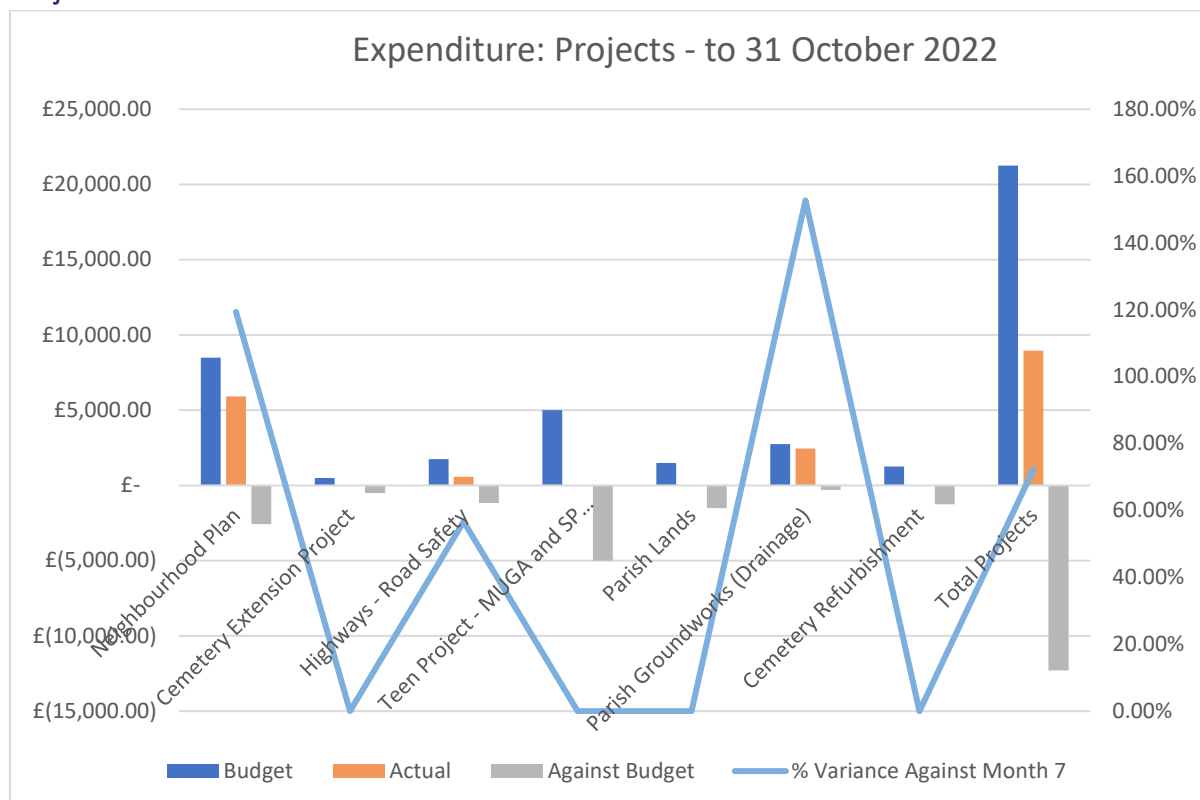

Notes:

Payments on Charitable Donations approved in previous financial year debited in current year.

A local organisation grant awarded in November and March has now been paid. The underspend on the previous financial year budget was transferred to Earmarked Reserves and has since been applied back against the budget line Grants – Local Support and Village Organisations.

Projects

Delays at Suffolk County Council mean that the Speed Survey planned for Wickham Street did not take place until March. A locality grant from Cllr Bennett underwrote the cost of this survey. If there is evidence for reducing speed limit from 40mph to 30mph, the cost of the RTO (to be shared with Stradishall) is likely to fall in the current financial year, for which there are earmarked reserves.

Housing Needs Survey – the survey undertaken by Cambs Acre, has been paid against the Neighbourhood Plan Budget. Neighbourhood Plan project has now started and costs are coming in which will show on future reports. The Locality Grant applied for (£9997.00) was paid in September and will be applied against the Neighbourhood Plan budget line.

Cemetery Extension project on hold following advice from landowner that they do not wish to sell at present.

MUGA re-development project could make future use of earmarked reserves under the following lines:

- Teen project and replacement
- Six Acres Development

Overview:

Although a move to BACS has resulted in more timely payments and a reduction in commitments from one financial year being paid in the next it is important to be aware of this, as delayed payments may on occasion result in an overspend against the budget lines and an identified need to reverse the virements in May arising from the underspend in the previous financial year.
