- Appendix C
  Appendix D
- Draft Part 3 Agar submission
- Explanation of significant variances Appendix E

The Year end accounts also confirm the expenditure incurred under s.137 of the Local Government Act 1972 as £150.00.

The Annual Audit has now been completed by the council's appointed Internal Auditors and their report is attached as **Appendix F** to this report.

The reported noted that that Council continued to maintain effective governance arrangements including a robust framework of financial administration and internal controls.

Additional comments made in the report are set out below:

**Standing Orders:** COMMENT: The procurement thresholds in Section 18 were amended in January 2024 and should be taken into account at the council's next annual review. Details are available on the SALC website.

**Financial Regulations:**COMMENT: At the next annual review, Council should look to review the Procurement Thresholds amendments (SI 2022/139) of the Public Contracts (Amendment) Regulations 2022 which came into force on 21st December 2022 and make the changes to the contract value limits from £25,000 to £30,000 for non-central government authorities. The contract value limits are to be calculated inclusive of VAT (effective from 1st January 2022).

In addition, the Procurement thresholds in Section 11 were also amended on 1st January 2024 and should be reviewed accordingly.

#### **Payment controls:**

Additional comments: The Council might wish to consider, in order to show good practice, implementing a system whereby evidence is retained showing which Councillors authorised the on-line payments thereby ensuring that there is an effective system in place to reduce the risks of error for such payments. This not only protects the RFO but will fulfil an internal control objective to ensure the safeguarding of public money.

The Council's Annual Governance Statement is attached to this report as follows:

- Section 1 Appendix G
- Section 2 Appendix H

The period for public inspection of the Annual Accounts will be between Monday 3rd June – Friday 12 July 2022 and a notice will be published and posted to that effect.

# Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2023/24

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide*\* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2024.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide*\*.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2023) equals the balance brought forward in the current year (Box 1 of 2024).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2024**.

ENTER NAME OF AUTHORITY

# 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- · confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

# 2 External auditor's limited assurance opinion 2023/24

(Except for the matters reported below)\* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. ## Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- the effectiveness of operations
- the economic and efficient use of resources

SALC Internal Audit Report template (v.7) Last reviewed: 18<sup>th</sup> January 2024

- compliance with applicable policies, procedures, laws, and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity, and corruption
- the integrity and reliability of information, accounts, and data

# Methodology

When conducting the audit, the internal auditor may:

- conduct a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year in order to be able to complete the Annual Internal Audit Report 2023/24 of the Annual Governance and Accountability Return (AGAR)
- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws, and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being conducted as planned

### Section 1 – proper bookkeeping

Evidence		Internal auditor commentary
Is the ledger maintained and up to date?	YES	The council uses Easy PC Software to produce reports on a Receipts and Payments basis and ensures that the financial transactions of the parish council are as accurate as reasonably practicable. All transactions are well referenced and provide an effective tool for the basis of the council's internal controls. This provides data for analysis allowing the RFO to produce clear financial management reports. The council finances Rialtas Business Solutions software for cemetery accounting which at a meeting held 29 <sup>th</sup> February 2024 was approved to change to Scribe.
Is the cash book up to date and regularly verified?	YES	Council follows Proper Practices in ensuring that its accounting procedure gives an accurate representation of the authority's true financial position. This provides good evidence to support the council's underlying statements.
Is the arithmetic correct?	YES	A number of spot checks were carried out and the functionality of the cashbook was found to be in order. The RFO has shown best practise by ensuring, for further transparency and scrutiny, that all payments and receipts are referenced with a description as to the expenditure and income being incurred to ensure the integrity of data being input and processed.

Council has followed recommended guidance by ensuring that its Fidelity Cover is equal to at least the sum of the year-end balances plus 50% of the precept/grants to be received in the following April/May.
Evidence that internal controls are documented and regularly reviewed <sup>4</sup>	YES	At the meetings of council held 27 <sup>th</sup> April 2023, 23 <sup>rd</sup> July 2023 and 11 <sup>th</sup> January 2024, and in accordance with Regulation 6 of the Accounts and

Documentation to support control procedures adopted by the Council for payments helps protect the RFO and fulfils an internal control objective.
