Budget Report to 31 December 2024

Income:

Notes:

Ground Rents were invoiced in August, the parish council having reviewed at its July meeting – payments received following reminders in October.

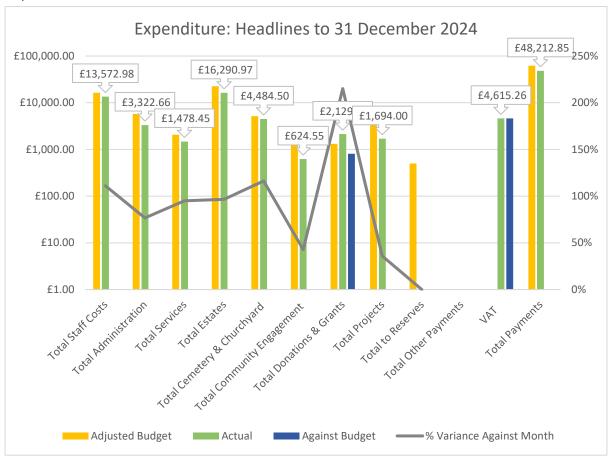

Registration of Wayleaves over the past two years has yielded an income this year of £112.02.

Bank interest rates have just been reduced¹ and the anticipated income from interest is likely to be less this year than budgeted for (approximately £320 against a budget of £500). This is likely to be offset from Miscellaneous receipts of £492.45 (credit notes negotiated, refund on EON electricity for Chapel of Rest and a refund on the insurance premium).

Cemetery receipts are now slightly below that expected for this time of year.

¹ Funds left in the savings account to accrue interest now exceed Earmarked Reserves Hilary Workman Clerk & RFO January 2025

Expenditure:

Notes:

Administration:

The spending profile is skewed towards the first two quarters of the year, when most subscriptions and insurance fall due. Some payments were delayed into early May. Staff costs have been recorded separately to align with separate recording under AGAR.

Services:

Profile is skewed to first half of year when software subscriptions fall due.

Estates:

Grounds contract invoicing is monthly, with the contract running from March to February. This has assisted in invoicing falling in the relevant financial year. However, despite reminders, the grounds contractor has been late invoicing (one invoice outstanding).

Donations & Grants: Three grants approved for local organisations this year, of which one approved (£500 – Local History Society) was paid in September².

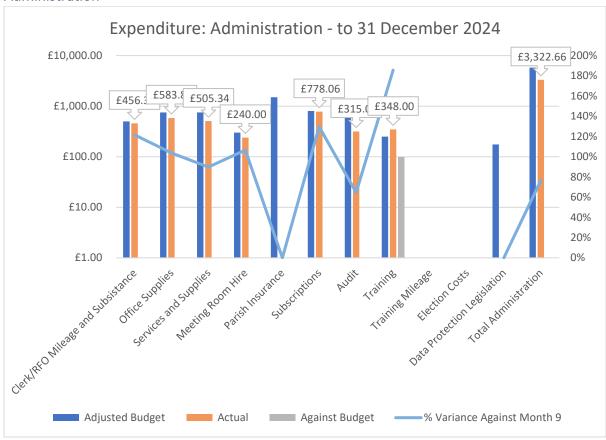

Projects

At the July meeting the parish council determined not to pursue a transfer of land from Havebury Housing to the parish council. Total expenditure was £764 against a budget of £2,500.

VAT income and expenditure set as indicative levels and not included in precept calculation or budget lines.

² Expenditure on grant £265.39 against grant of £500 – pc agreed that £200 be returned to the council. Hilary Workman

Administration

Notes:

Training

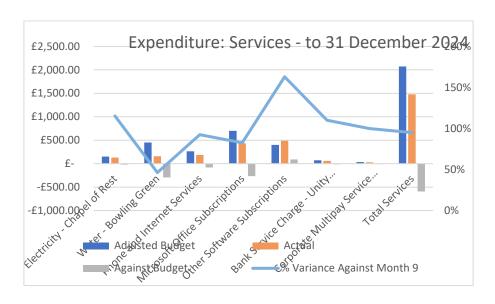

New councillors have undertaken their training in accordance with the training policy. There is a slight overspend, accounted for by additional training for play area inspections.

Staff Costs

Salary – At month nine the total staff costs is just above 10% over budget. The clerk is checking the on cost calculations used at budget to ensure that this is more accurate moving forward.

Services

Notes:

Microsoft office subscriptions are likely to be slightly higher than budgeted for due to a successful recruitment of an additional three councillors for much of the year.

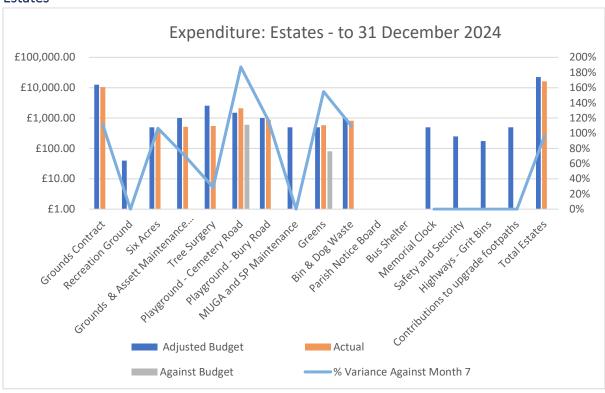

Moving to Everflow for water supply and monthly billing has avoided peak bills despite a fairly dry summer. A self-leak test was requested in October, but consumption has become largely static again.

The electricity contract is now open for re-negotiation but currently awaiting new rates to reduce the standing charge.

Unity Trust charges have now moved to monthly payments of £6 (no actual increase in fee).

Hilary Workman Clerk & RFO January 2025

Estates

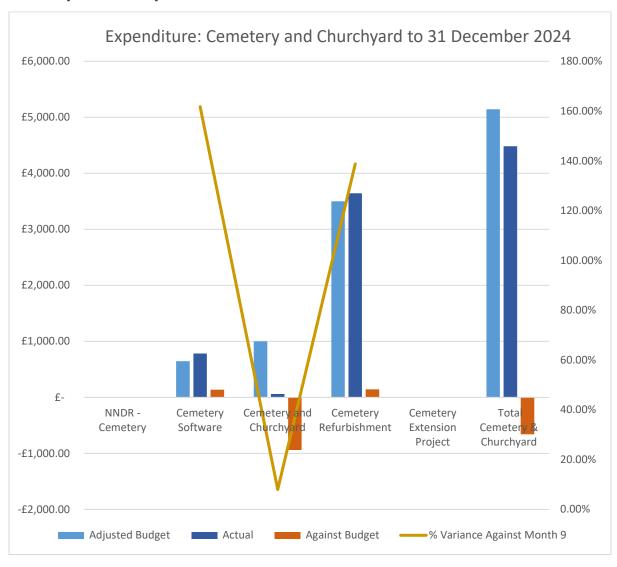

Notes

A move to identifying any groundworks required during budgeting process has reduced spending over budget.

The cost of Tri-annual inspections for parish trees should in future factor in a higher profile of spending on trees in that inspection year.

Maintenance spending on play area equipment should be combined across all sites in future years. Further costs for play area equipment were invoiced in August and paid in September, leaving an anticipated balance over all of £500. Spend on low risk issues for play areas will move to February in 2025-26 financial year, to allow for any urgent work which may need to be dealt with.

Cemetery and Churchyard

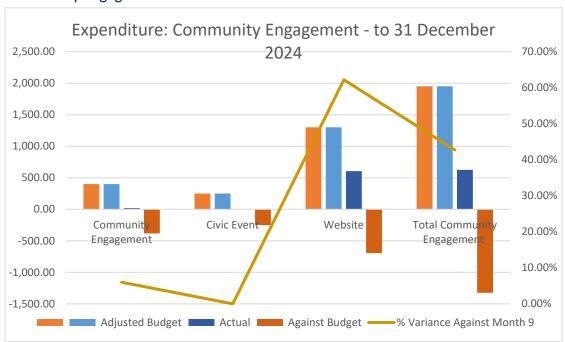

Notes:

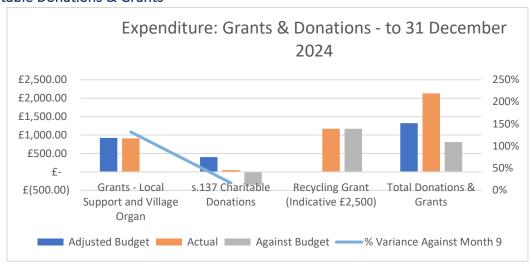

Cemetery refurbishment (which included works to memorials) was a little over budget, but some costs may yet be recovered on this from deed owners.

Cemetery software was over budget due to a cancellation fee (£137.50) with the previous supplier which had not been anticipated

Community Engagement

Charitable Donations & Grants

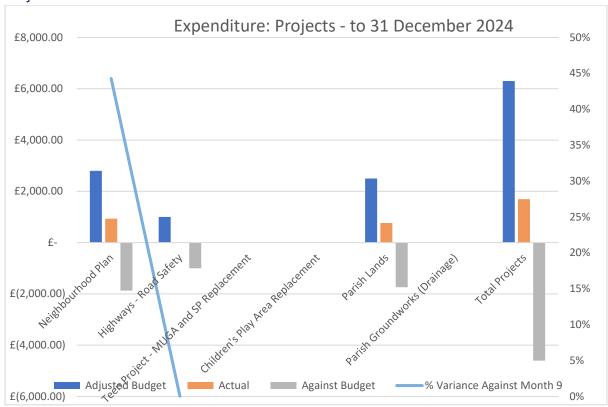

Notes:

Two applications for grants approved at the April meeting were paid in May. A further application was approved at the July meeting (Local History Society) which was paid in September³, leaving a balance of £9.76.

The underspend on the Local History Society grant will be repaid to the parish council.

 ³ Expenditure on grant £265.39 against grant of £500
Hilary Workman
Clerk & RFO
January 2025

Projects

Notes:

No significant variations to date.

It is anticipated that further costs under Neighbourhood Planning will be invoiced in the next financial quarter.

Overview:

A move to BACS has resulted in more timely payments and a reduction in commitments from one financial year being paid in the next. Scheduling decisions on capital expenditure earlier in the financial year have helped to address this issue.

Earmarked Reserves

At the end December '24, following adjustments approved by the parish council at its April, July and September meetings (Min 24.04.14 & 15, 24.07.17ii and 24.09.11 refer), the council's reserves were as below:
