

## Amendments to Cemetery Fees & Charges

Fees and Charges for the Cemetery were last reviewed and set by the Parish Council at its meeting in November 2023 (Min 23.11.17 refers).

The Sole operator appointed in January 2022 (**Min. 22.01.10.3 refers**) was also re-appointed in 2024.

### Maintaining the cemetery:

A burial authority may enclose, layout and embellish a cemetery as it thinks fit and improve it, and is obliged to keep it and its associated buildings, walls and fences in good repair<sup>i</sup>.

There is useful guidance on with respect to maintaining cemeteries and closed churchyards in the National Association of Local Council's Legal Topic Note 64 – Tombstones & Memorials, attached as Appendix B to this report. This makes it clear that it is the occupier's (parish council) responsibility to maintain the cemetery/closed churchyard.

Grave spaces in a cemetery remain in the ownership of the council. A right of burial (including an exclusive right of burial) gives only a right to inter a body and install a memorial.

Income and expenditure relating to the Cemetery and (closed) Churchyard over the previous three years, plus the current budget and half year figures is set out below:

\*Electricity charges have been taken out as they do not directly relate to maintenance of the cemetery.

There are currently no Earmarked Reserves available for maintenance of the Cemetery, Churchyard and Memorial Garden (these having been drawn down in the current FY for additional work to Cemetery Trees).

It is good practice to ensure that year on year there is adequate provision for 10 years interments. A brief look at the number of interments over the past 3 years, compared to the space currently available does seem to indicate that there is sufficient provision at present. Work is progressing mapping the grave spaces on the new cemetery software (shown as **Appendix A**) which will give a more accurate indication of availability longterm .

Current fees and charges at cemeteries which are either local or of a similar size are shown at **Appendix B**.

## WPC.EC.24.11.03 – Review of Cemetery Fees & Charges

It should be noted that Best Practice Guidance is that fees should be a flat rate, with no difference between parishioners and non-parishioners. In order to manage a 10 year supply of space, the parish has amended the terms of accepting interments to limit to persons who have lived in the parish, or those with a direct familial connection (Grandparent, sibling or child).

Fees and charges have been increased to take account of the current rate of inflation (2.6% - fees for children and stillborn have not been increased). Charges for contractors and materials have increased over the past year. Increases relating to children have been held below the rate of inflation. The proposed changes to fees and charges, therefore, are:
