

Parish Defibrillators

The parish council currently has two community defibrillators, sited at:

1. Wickhambrook Memorial Social Centre, Cemetery Road; and
2. The Fire Station, Giffords Lane, Clopton Green.

Each defibrillator needs to be maintained with in date batteries and pads. A summary of the current supplies is set out below (and attached as Appendix A)

MSC - Cemetery Road:

Order	Item	Serial No	Expiry Date
1000074449	Battery	(01)08809435481512(21) GT130150D	29/10/2026
1000095835	Pads	(01)088094354181031(17)250706(10) Y070622-11	11/07/2025
1000095835		(01)08809435481031(17)250706(10) Y070622-11	11/07/2025
	Spares	(01)08809435481031(17)251026(10) Y102622-03	03/10/2025
		(01)08809435481031(17)251026(10) Y102622-03	03/10/2025

Fire station - Giffords Lane:

Order	Item	Serial No	Expiry Date
1000074449	Battery	(01)08809435481512(21) GT131305D	29/10/2026
1000104900	Pads	Y082522-05	01/08/2025
		Y082522-05	01/08/2025
	Spares		

At its February meeting the committee agreed that, both defibrillators holding one spare set of pads, only one additional spare set of pads would need to be held (Min. WPC.EC.25.02.7.1 refers). The meeting had also earlier agreed that the parish would move to purchasing replacement pad sets suitable for both adults and children. The suppliers have advised that the defibrillators installed have a paediatric switch installed in them, thus the pads already supplied are suitable for both adults and children.

Each set of pads costs £72.50 plus VAT. Ideally, we should have one set plugged in, and one set spare in each cabinet. On this basis, a minimum of two further sets of pads (and ideally four sets) should be purchased this year, to replace those expiring in July and August.

Powers:

Public Health Act 1936, s.234 - Power to provide life-saving appliances (defibrillators, lifebelts etc.)

Funding:

Safety and Security: £250

Supplies and Services: £750

Recommendation:

The Estates Committee authorises the purchase of four sets of replacement pads at a cost of not more than £290 plus VAT.
